Wedding Packages

All of our wedding packages include all the digital files taken. 5-10 of these images of our choice will be fully edited. Additional editing is available at \$10 per image

Small \$750

This package covers formal and family pictures, and the wedding ceremony. This includes two and one half hours of coverage.

Medium \$1,500

This package provides seven hours of coverage, from the bride getting ready through the main events at the reception. (Main events = toasts, cake cutting, bouquet and garter toss, and first dance, if they fall within the coverage time)

Large \$2,000

This package provides the same coverage as the medium package above, and also includes a flush mount wedding album containing at least 40 images from your wedding.
